

• Trends •

We are all counting down to those lovely sunny days. Spring has already arrived and you can already see the buds turning green on the trees.

The Japanese ornamental cherry is now in full bloom, they symbolize happiness, love and especially a new beginning.

With these colors in nature, the new season of all collections that come to us also starts. The shine is back on the nails and the pastels hold up. The soft green tones also continue and you see them everywhere in the shop windows. Fortunately, the dresses and flower patterns are allowed again and that makes us happy. The daisy's are also on the nails again but in multi color.

• Spa Manicure and Pedicure • CND Pro Skincare •

The new line of **Spa Manicure** and **Spa Pedicure** products from CND called **CND Pro Skincare** is fantastic, an absolute hit, as far as we are concerned, on to the next 20 years of awards.

It's a complete line of prebiotically enriched spa products for healthier looking skin; such as the Callus Smoother, Mineral Bath, Exfoliating Sea Salt Scrub, Intensive Hydration Treatment, all products that are balanced for hands & feet.

It's great for everyone when your feet are ready for the season. Feel free to bring someone along and enjoy the spa treatment together on our lounge sofa.

The spa treatment takes about an hour and then you walk out the door with wonderful feet as new. You will notice that this really makes the difference. And of course when the sun starts to shine, you can relax on the beach with the sand between your toes.

• CND Shellac vs Gelish •

Gelish came up with the **Pure Beauty** collection for spring; a dynamic range of subdued pastels balanced with popping spring tones. Pure Beauty takes you to a place where the loveliness of nature is at the tip of your fingers.

Shellac from Creative Nail Design (CND), the makers of the best Gellak (Gel Polish) in the world came up with the **Shade Sense** collection for her Shellac Gellak, as she says herself; a quest to discover moments of calm and optimism.

• Biab Nails (CND Plexigel, The GelBottle) •

Everyone has heard of Biab, which is ideal for making a beautiful natural nail that immediately strengthens the nail and ensures that it can grow quietly, without chipping pieces.

Wonderfully maintenance-free and in a number of nude tones or of course to combine with color and our daisy patterns for a fresh look.

Biab and Nail Art remains a strong combination, both **The GelBottle** (TGB) and **CND PlexiGel** continue to expand with fantastic colors. If you are looking for extensive **Nail Art**, book at one of our locations and choose from **nail art daisy's** or **color french with a twist**.

have a very nice summer!
