

• Trends •

Everyday chic, beautiful white shirts with a good blazer are back.

This year again we are happy with the new beautiful autumn colours; alternately warm with the brown slowly making its appearance. These nail colors can be found in several brands.

Don't miss your "statement" bag or striking sunglasses for the winter with a cool color and orange is no exception.

• Winter (Spa) Pedicure •

Winter feet, or their appearance, require special attention. We therefore like to pamper our feet during and on the way to the cold days.

During our **Winter Pedicure** treatment, we apply a wonderfully nourishing mask that makes our dry skin happy. The mask is wrapped in a towel and left to absorb for ten minutes, but then the skin is optimally hydrated and we conclude the treatment with a delicious cream. Of course this can be combined with a color from one of the extensive collections. Come and have fun with your partner, colleague, friend or mother and enjoy our spa bench with natural stone bowls.

• CND Shellac vs Gelish •

"Embrace beauty in imperfection" says CND about its fall collection **Upcycle Chic**. "Leather Goods", "Silky Sienna" and "What's old is Blue Again" are a spectrum of colors from warm orange to brown and blue.

This winter, CND will launch the **Magical Botany** collection, inspired by the glamor of the holidays and the enchanting essence of nature. Meet the colors "Midnight Flight", a deep midnight blue color, "Forever Green" is easy to guess. "It's Getting Golder", a warm gold shade with a sparkle for the holidays and finally "Scarlett Letter", a warm soft red tone.

The **Change Of Pace** autumn collection from Gelish features the Burgundy color "Sappy But Sweet", an olive green color "Lost My Terrain of Thought" and the gold-colored "Golden Hour Glow". The colors give us a boost this time of autumn!

• Biab Nails (CND Plexigel, The GelBottle) •

Everyone now knows the name **Biab**, but what exactly is it and how can we treat it? the possibilities are endless and the people who already have it on their nails are very enthusiastic, some don't want anything else!

It is a beautiful thin builder gel in a new guise with all kinds of new applications. Of course, this product can also be soaked off (soakable) and we like that, no damage to the natural nails and a beautiful natural look. You can strengthen your nails with it, although they can be lengthened briefly, but it is also intended to support the natural nail.

For really **long nails** there is hard gel, acrylic, polygel and the latest from The GelBottle **TGB Pro Form**, the ultimate, durable, **HEMA-free** system with diamond-like strength. The product adapts to the natural shape of the nail and can be combined with a beautiful color in CND Shellac or one of the gel color systems with a choice of more than 300 colors. Let us inform you about the possibilities in our salon.

Biab and Nail Art remains a strong combination, both **The GelBottle** (TGB) and **CND PlexiGel** continue to expand with fantastic colors.

• Christmas •

This year too, many are looking forward to the holidays. Preferably in good company, a warm atmosphere, with good food, a beautifully decorated Christmas tree with gifts for our loved ones underneath. A period of mainly conviviality in a comfy outfit with a woolen sweater, matching painted nails and a good conversation with your best friends or family.

These are busy days, don't forget to book in time on your favorite day, **make an appointment now!**

We wish you A Merry Christmas and best wishes for a healthy, happy and prosperous New Year!
