

• Trends •

Red is the color that catches our eye; it stands for passion and strength.

Blue is calming and comes back completely, previously spotted on the catwalk and now in the streets.

And we see the imaginative **pink** in all kinds of color tones this winter; woolen coats, sporty sneakers and so on, in short a mix of materials, and you can enjoy the colors again.

• Fuller Lashes •

We offer a wide selection of eyelash extension treatments to lengthen your lashes and make them look fuller; **one by one**, **3D** or the very full variant **Russian Volume**.

Besides **Lash Lifting**, which gives the natural lashes a permanent curl, there is another possibility: the **eyelash growth serum**, with which you can grow your own natural lashes.

The first question you hear is does it work? Yes, it really works, you do not get fuller eyelashes but they grow well and therefore fuller looking. The variant of **Lash Extend** is very popular and it is not one of the serums that have recently been negative in the news.

• Gelish #1 x CND Shellac 2.0 •

Speaking of red, if that is the color of this season, what could be better if you can use a style icon like Marilyn Monroe. Gelish -recently rechosen as the best gel polish in the world- just does that for her winter series **Forever Fabulous**.

According to Gelish *because we feel that her timeless and pioneering attitude fits with the energy of Gelish and Morgan Taylor*.

The colors in the series again have appropriate names such as the bright red **A Kiss From Marilyn**, the bright red glitter **Some Like It Red**, the pearl colored **I Prefer Millionaires** and the fine silver glitter **Diamonds Are My BFF**

In an attempt to regain first place, Creative Nail Design (CND) strikes back with **CND SHELLAC LUXE™**, a 2-step version of the most successful gel polish in the past 10 years.

This new innovation has an open structure that makes it easier to soak off and the exposure of the skin to Acetone is shortened; Acetone is not harmful at all, but some women do not like it.

• Gel Polish/Shellac Discount Month •

November is Gel Polish/Shellac discount month at Studio KiKi, a great opportunity to discover the latest Gel Polish or CND Shellac colors in combination with a manicure, pedicure or artificial nails.

Keep checking our website and social media pages regularly for all Gel Polish and CND Shellac offers in November!

• Gelish PolyGel Convincing •

Sometimes it takes something new to get used to, for us and for the customer, but as time goes by it begins to become clearer; PolyGel artificial nails are gaining more and more ground on the acrylic and gel nails.

PolyGel is a material that is something in between the acrylic and gel nail, it is very strong yet flexible to wear. Solvents are kept to a minimum because of this odorless and it is hypoallergenic.

These qualities in combination with a comfortable wearing feeling are now highly appreciated by many customers.

Everything is possible from a natural layering or cover to an extremely white/pink combination.

• Christmas •

At the end of the year around the holidays we traditionally offer evening openings and extended hours.
