

• Trends •

Looking ahead in times of uncertainty is not easy. Many oversized and comfortable silhouettes find their way into our home. Nostalgia makes us feel safe, that what we need.

Self-printed t-shirts (Tie dye), the comfy home suit (Tracksuits), the classic white blouse during an online zoom meeting are the trends during this Corona crisis in which the comfort trend has been developing for some time and will continue to develop in the near future.

Add to this the search for a positive experience such as being together with family and friends or a moment of relaxation and enjoyment to celebrate life.

• CND Plexigel (Biab Nails) •

It sounds like CND's answer to Gelish Polygel and Biab Nails, and it is... but one step further and completely in line with this time; odorless, cruelty free, vegan and so on.

CND Plexigel is a "brush-in-a-bottle gel nail enhancement system", which you can use to make Biab nails. The nail extension is made by building up the desired shape of the nail with a brush with gel on tips or templates. Despite the fact that this is a nail extension, it looks like a Gel Polish treatment, no powders and liquids are mixed. CND Plexigel has everything it takes to become an absolute hit.

• CND Shellac •

Despite everything, AND just keeps sticking to its plan to stay the number one in the world without any doubt.

She does this by simply being on time with a beautiful autumn and winter collection; **Autumn Addict** and **Cocktail Couture**, where these last winter colors are an ode to typical Christmas colors that she has managed to lift to an unprecedented luxurious color level.

From elegant deep red, rich gold to refined emerald for a sumptuous look. CND calls it "a toast to the festivities". But yes, the colors are so appreciated and not only by our customers, that the colors are now sold out worldwide. Fortunately, we still managed to get them!

• Gifts •

The possibilities with our new **Lookgood.today** software have been considerably expanded. In addition to the new customer cards with which you can book appointments, you can now also purchase digital **subscription** and **gift cards** online for an amount or for a treatment. Our festively packaged gift cards can also be collected from our shops.

But for gifts you can also think of the vegan and cruelty free products from **Marc Inbane**, with which you can hold your summer tan in the fall season. You can simply mix the products with your day cream or lotion, and with the **black exfoliator** made with lava you keep the skin super soft.

Fantastic are the super luxury lash products from **Lash Extend** as well as the nail care products from CND; such as the wonderfully scented **CND Scentsations lotions or creams** with which you can protect the skin against cold or drying out. And not to forget the special **CND Vinlyux nail polishes** available in more than a hundred colors.
