

## • Trends •

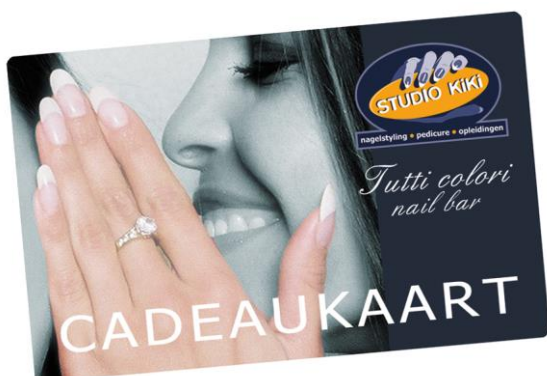

When the days get shorter and it gets dark early, it's that cozy time again. We see ton sur ton with creamy white everywhere; from clothes to nails and even cozy with your living blanket on the couch.

For the holidays, wrap yourself in dazzling luxury sweaters and dresses, we can go all out again this season with deep red and midnight blue and a touch of orange or warm yellow on your nails.

All nail trends have it in their collections and many of our customers have already been introduced to it, it leaves you wanting more!

## • Gifts •

The possibilities with our **Lookgood.today** software are extensive. In addition to customer cards with which you can book appointments, you can also purchase digital **subscription cards** and **gift cards** online for an amount or for a treatment. Our festively packaged gift cards can also be collected from our shops.

But for gifts you can also think of the vegan and cruelty free products from **Marc Inbane**, with which you can hold your summer tan in the fall season. You can simply mix the products with your day cream or lotion, and with the **black exfoliator** made with lava you keep the skin super soft.

Fantastic are the super luxury lash products from **Lash Extend** as well as the nail care products from **CND**; such as the wonderfully scented **CND Scentsations lotions or creams** with which you can protect the skin against cold or drying out. And not to forget the special **CND Vinlyux nail polishes** available in more than a hundred colors.

## • Nail Art •

Are you looking for extensive Nail Art for the upcoming holidays, then book at one of our locations and choose from **graphic** or **hand-painted nail art**.

## • CND Shellac •

*Less is more*, they will have thought at Creative Nail Design (CND), a simple but clear message that fits in with the zeitgeist.

CND does just that with the beautiful new fall and winter collections **Wild Romantics**, typical rich, wild, romantic warm autumn colors

and **Party Ready** in the run-up to winter with deep dark midnight blue, supplemented with gold and bronze as stars in the sky and the universal favorite a soft creamy white.

## • Biab Nails (CND Plexigel, The GelBottle) •

Hip, hot and trending is the best description of what we are currently seeing with **Brush in a bottle** (BIAB), the solution for anyone with thin brittle nails who wants strong and natural nails, with or without color, because most unimportantly Biab is **Vegan** en **Cruelty Free**.

**CND Plexigel** is really a product to enjoy, not surprising it now has a loyal fan base who are very happy with this innovation.

**The GelBottle** (TGB) is a Biab that got famous quickly because of Kylie Jenner and Kim Kardashian, it's a very natural looking thin gel that strengthens the nails, you can camouflage small imperfections with it, and with the soft nude color you do not have to do anything.
