

• Trends •

This season it's all about soft femininity with soft pastels, subtle shimmers and chiffon.

We are longing for spring and summer with new colours, and colour is our specialty! No colour is too crazy or we have it. If you can't choose, we are happy to help you with advice.

Butter yellow a creamy pastel yellow colour and baby pink can be seen again. Also the 'cloud trend' with balloon-like skirts and tops. Silhouettes with a touch of romance.

Combine the CND shellac colour **Romantique** with a sheer shimmer **Silk Thread** from the new Quiet Luxury collection, together with a soft white Lady Lilly and you have that timeless French manicure that fits every trend of this season.

Check our instagram page **tutticolori.nailbar** and you will find them all.

• Spa Manicure & Spa Pedicure • Have A Chill Day •

How wonderful it is to leave work early and book a well-deserved Spa Pedicure with a colleague or friend. Enjoy a warm bath with sea salt full of minerals and a foot scrub with soft scented notes. With a choice of so many colors of **CND Shellac** which has zero dry time is not necessary and you can immediately grab your favorite terrace with a delicious cocktail. Every woman likes to shine, right? And another advantage of CND Shellac on your toenails is that it *lasts perfectly for up to six weeks*, even on the beach with sand between your toes.

SKINCARE

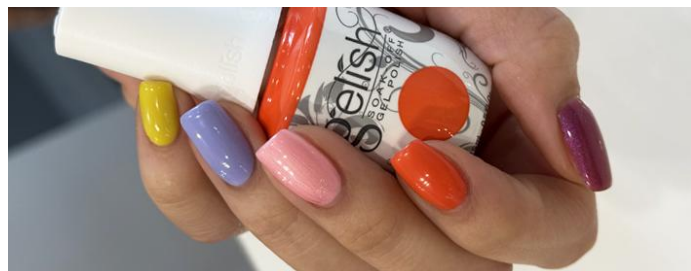

ELEVATED SKINCARE AT YOUR SERVICE

CND Pro Skincare is a complete new line of prebiotically enriched **Spa Manicure** and **Spa Pedicure** products for healthier-looking skin; like the Callus Smoother, Mineral Bath, Exfoliating Sea Salt Scrub, Intensive Hydration Treatment, all products that are Balanced for hands & feet.

• CND Shellac vs Gelish •

Gelish came out with the **Now & Zen** collection this spring; nice fresh colours with a glow or sparkle here and there. Of course you can take them all at once but choosing one is easy and then you just take another one next time. The summer colours **Let's Roll** are great again; typically bright and colourful.

CND makes itself heard with the beautiful spring collection **Quiet Luxury**, as the name suggests luxurious shades that embody a carefully composed lifestyle, trendy and timeless. CND Shellac is to this day the only gel polish that is breathable and completely soakable; **these unique aspects ensure that the natural nail is not damaged, which becomes apparent when removing the gel polish without filing**. Now with Gelish Gel Polish, not much filing is required, but just enough to break through the so-called seal after which the gel polish can also be soaked off.

• Biab Nails (CND Plexigel, The GelBottle) •

Biab has become indispensable, it is ideal for creating a *beautiful natural nail* that immediately strengthens the nail and ensures that it can grow quietly, maintenance-free, without pieces constantly chipping.

Biab and Nail Art remains a strong combination, both **The GelBottle** (TGB) and **CND PlexiGel** continue to expand with fantastic colors. If you are looking for extensive Nail Art, bring your own idea or take a look at our lookbook.

Have a great summer!
